General price information

The basic payment of 150.00 € for European participants covers the costs for the participation in the round robin, the evaluation, the report/certification and the shipping costs. The participation fee for laboratories from overseas is 200.00 €. Additionally 25.00 € are charged for each parameter in blood, plasma/serum or urine.

For each of the following parameter pools* an amount of 50.00 € is charged.
